

Category_talk:English_documentation

Japanese on this page?--[whiteboy](#) 04:33, 3 Oct 2006 (CEST)

I've updated Japanese pages so they don't have this Category? But it's not working. Hmmm, maybe it's updated daily?--[Kubanczyk](#) 18:15, 17 Dec 2006 (CET)

Yup Japanese was cleaned after a while.--[Kubanczyk](#) 21:20, 17 Dec 2006 (CET)

Anybody has the idea why this Category has **another** subcategory *English documentation*? How to get rid of this? --[Kubanczyk](#) 19:47, 17 Dec 2006 (CET)

Fixed :) Category page was self-referencing. --[Kubanczyk](#) 21:20, 17 Dec 2006 (CET)
