

Informations

Official Product Page: [TP-Link Product Info](#)

Technical spec from wikidevi: [TP-LINK TL-WR841ND v9.x](#)

Also see: [TP-LINK TL-WR841ND](#)

Installation Instructions

The most recent firmware builds can be downloaded as described on: [Where do I download firmware?](#)

- **[download initial build](#)** (you should update to a newer release after that)

NOTE: It is probably best to start with [44715](#) due to [the 33375 upgrade issue](#) to avoid problems.

Installation Instructions can be found [here](#).

Factory Revert

- **TODO**
