

Talk:Bug_Reports

It don't know if this page is "authorized" by Brainslyer. I think it's better to use the bugtracker instead.
<http://www.dd-wrt.com/bugtracker> Unless I have proof of developers here, it's time to delete this page. turbo

I agree, time to delete this bitch--[Tempnegro](#) 08:56, 30 Sep 2006 (CEST)
