

Talk:Glossary

Does this page truly take the place of the Features page? I'm not convinced. But it does seem like we could end up doubling up a lot if we keep the features page and the glossary page. -HK

Exactly, thats why I got rid of the extensive features page altogether and linked it all to here--[whiteboy](#) 04:52, 8 Oct 2006 (CEST)

Page Category

I have an idea, but afraid to implement it. It deals with the category page, but I'm still a little confused. This glossary is great, but what if someone wants a complete listing. The category section would be great for that, but we would then have to have individual articles for each definition....--[whiteboy](#) 04:56, 8 Oct 2006 (CEST)

WDS Connection Watchdog missing

Did anyone ever notice that the WDS Connection Watchdog is missing here and that it does not have its own article? (WikiSearch does not return any useful results either.)
